

**BACKGROUNDER**  
**June 14, 2018**

**DEVELOPED BY CANTALK (CANADA) INC.**  
**Introducing CanNECT™**

**WINNIPEG – CanNECT™** is CanTalk Canada Inc's **Next Evolution Communications Tool**, a new multilingual application that allows iOS and Android users to access language choices within a content rich environment that includes high resolution graphics, in-language text, audio and video. This ever expanding platform is limited only by your imagination. What will your "Next Evolution" be?

**CANNECT**
